

Line Card Electrical & Electronics

From Board Level to Peripherals to Factory Automation

Legacy will help you transform what is no longer manageable, readable or too time consuming in your supply chain and present you with SMART, informed solutions to help increase your bottom line.

With over 30 years in the industry assisting customers in the achievement of their supply chain goals, we continue to redefine the language and solutions that our competitors will someday be using...

Active | Passive | Peripherals

- Integrated Circuits
- Connectors
- Switches
- Capacitors
- Microcircuits
- Circuit Breakers
- Semiconductors
- LEDs / LCDs
- Servers / PCs
- Networking Equipment
- Embedded Products
- FPGAs / CPLDs

Focus On Quality

- AS9120(B), AS6081, ISO9001 Certified
- ITAR and FAA Compliant
- Full Traceability
- IDEA-STD-1010A. AS5553 Qualified Inspectors

ANSI/ISO 9001:2015 Compliant
